

Base plates

P R9 Base plat for wood construction

Characteristics
Base plat made of Inox A2 for the modular assembly M16 of anchorage point, supports
Middle supports of cable system
assembly with plat head

Article-Nr.	E-Number									
310.002.014		InoxA2	118	62	4					1

Technical Specifications: **Base plat for wood construction P R9**

	310.002.014
Material	InoxA2
External diameter	118 mm
Height H	62 mm
Thread size anchorage point	M16
Number of person	4
Commercial specification	
Customs number	73089000
country of origin	CH
