

Measuring clamp

■ CA 6416 Measuring clamp

Characteristics
Measuring clamp for resistance measurement incl. plastic case
Own clamp adjustment possible

Article-Nr.	E-Number									
429.008.000	980 211 300									1

Technical Specifications: **Measuring clamp CA 6416**

	429.008.000
Printer connection	No
Printer integrated	No
Indication	digital
Internal memory	No
Commercial specification	
Customs number	90303900
country of origin	FR
Logistic specification	
VPE Weight	2.14 kg
